

ARTICULATE® STUDIO 360 TRAINING SYLLABUS

Articulate® Studio 360 Virtual Training is a hands-on 4 2-hour session course with an optional 2 2-hour sessions for Rise 360+:

BASIC STUDIO 360, SESSIONS 1 AND 2

This 2-session virtual training provides everything you need to use Studio 360 to quickly and easily design and develop effective e-learning presentations that can be published and delivered to meet a variety of needs and play on a variety of devices.

STUDIO 360 INTERACTIONS, SESSIONS 3 AND 4

This 2-session virtual training is designed for those who have already attended the Basic Articulate® Studio 360 training, or have mastered those skills. We will explore the interactive options in Studio 360 that will help take your courses to the next level.

RISE 360+, SESSIONS 5 AND 6

Our 2-session virtual instruction is dedicated to Rise 360. You'll learn and build complete modules using Rise 360, as well as supplement these modules with additional content using the Articulate® 360 tools - Content Library 360, Peek 360, and Replay 360.

For more information please see the syllabus at the following link: [RISE 360+ Training](#).

PARTICIPANTS

Training sessions are designed for a variety of skill levels. All participants should have basic computer skills and familiarity with some of the more common user interfaces (such as ribbon technology and browser windows). PowerPoint proficiency is beneficial.

Participants will be joining the session with Zoom Webinar. Please visit <https://zoom.us/test> in order to test your system compatibility prior to the session. Microphones will be muted throughout the session, but questions can be asked via the question and answer panel in Zoom Webinar. All sessions will have tasks for participants to try following the session. Therefore, **participants should have a PC (or Mac with Windows) with an active Articulate® 360 subscription or trial installed.**
